- U6 and U7 age groups require one parent for each Nipper to be involved in the program – you will get wet sometimes!
- Nippers is not a learn-to-swim program. All Nippers are required to complete a pool proficiency prior to entering the ocean to ensure their safety on the beach. Dicky Beach Nippers encourages swimming lessons for future nippers, so they can enjoy the beach and ocean. Refer to the website or Team App for proficiency requirements for each age group.
