

Teresa Hutton

- Bronze Medallion – October 1985
- Life Member – 2004

Teresa Hutton, was born into life saving, being the daughter of Ian Grant. Teresa joined the club as a nipper before obtaining her bronze medallion. Teresa's preference however was not to swim, but jump out of the Westpac rescue helicopter. During this period she became the first female Crew Chief and developed training programs for winch operations. In the year 2000 Teresa was awarded Queensland Volunteer of the year.

Since being honoured with life membership, Teresa's focus has been in Surf Rescue competition which is lifesaving based. Although personally having obtained medals at Australian Titles, Teresa's enjoyment comes from coaching the youth, our future leaders to assist them in achieving their optimum performance. As a coach, Teresa has led the club winning a number of State Surf Rescue Titles and multiple youth obtaining medals at both State & Australian Titles Lifesaving Titles. Teresa's two daughters are third generation lifesavers who proudly patrol and compete for Dicky Beach.
