I understand that I will return the board at the conclusion of the season. The board will be inspected by a gear steward who will approve its condition on return. Boards not returned in an appropriate condition will be repaired at the user's expense.

### Rules for use of allocated board

I also understand that I am responsible for the care of the board and that in the event that the board is damaged, lost or stolen, it is my responsibility to either replace or repair the board by a club authorised repairer at my own expense. Authorised repairer information can be found in the JAC handbook.

**Boards must be stored at the Dicky Beach SLSC nipper board racks at all times unless required for use at competitions or training approved by the DBSLSC Junior Activities Committee.**

**The board is ONLY to be used at DBSLSC approved training sessions and competitions..**

To ensure the board does is not taken or used by others, a lock must be purchased from the club. Each board will be allocated a lock at a cost of \$10. Boards will not be allocated until payment for the lock has been received. It is the user's responsibility to ensure the board is secured by lock at all times when not being used.
